Welcome to the Minnesota Austin Healey Club

The Minnesota Austin Healey Club (MAHC) is a club of good cheer, dedicated to the enjoyment and preservation of all the wonderful vehicles that Donald Healey created. We are also a chapter of the Austin Healey Club of America.

In the beginning individuals in the Twin Cities area who owned Austin Healeys and crossed paths on the road would stop and talk. Soon they gathered semi-regularly to share knowledge, resources, and parts to keep these iconic cars on the road.

Today the club has evolved, adding ever more knowledge, driving opportunities, and social gatherings. If you review our newsletters and check our calendar you will get a quick sense of what the club offers. But if you read between the lines you will see there is more

2021 MAHC Rendezvous

Have you always wanted a "Healey" but don't know where to start? We know cars, how to access them, and what to expect, and a few members might even have an opinion.

Want an excuse to not mow your lawn, and to drive your car instead? We are that excuse.

Tired of your people thinking you're "nuts" to want an "old car"? Come to this happy place, and soon they will ask you if they can tag along.

Have a problem with your car? We all have had problems; fortunately solutions have been found.

You are invited to attend any event and/or our monthly informal meeting, which usually happens on the first Wednesday of the month (verify with the calendar or newsletter) at 6 PM for the social hour (7 PM for the meeting) at Joseph's Grill, located at 140 South Wabasha in St. Paul.

If you want more information please give me a call or email me. Or if you wish, try to catch-up and chat with that Healey driver that just passed you.

Cheers,

President

Mission Statement

The purpose of the MAHC is to bring together those with a common interest in the ownership, restoration, preservation and driving of any car built and designed by Donald Mitchell Healey, and to share resources and knowledge and thereby enhance the enjoyment of owning and driving a Healey. Fun and camaraderie are to be the hallmark.

Club Activities

Technical sessions, touring events, competitive driving events, fun rallyes, dinners and picnics are typical Healey fare that the Minnesota Austin Healey Club enjoys. Some activities are planned jointly with other marques such as the Morgan, Triumph, and MG clubs to name a few. Many members join the fun even though they don't own a Healey or their Healey is not yet roadworthy. Daily drivers welcome! The club provides inspiration, assistance and encouragement.

Newsletters

Each local newsletter, *The Healey Enthusiast*, contains columns by the president and vice president, as well as many of our members who have special news or information. It includes a calendar of events; not just MAHC club activities, but events hosted by other local British car marques as part of the InterMarque organization. Members also write about past events and technical tips. The newsletter includes a Healey Market to advertise A-H's for sale, as well as parts or other A-H related items. The National AHCA Magazine, *The Healey Marque*, is a full color monthly publication with stories and photos of Austin Healey clubs around the U.S. and Canada.

Technical Help

Many of our club members are experienced in the restoration and maintenance techniques of the Austin Healey. Everything from full, frame-off restorations to tips and hints that keep those wonderful Healeys on the road. If you have a question, or a problem, more than likely someone in the club can help.

The Minnesota Austin Healey Club is comprised of friendly and enthusiastic individuals and families of all ages and walks of life. Their goal is to enjoy their Austin Healeys. There is something for everyone in the Minnesota Austin Healey Club.

MAHC is an affiliate of the Austin Healey Club of America, Inc., a national organization comprised of local clubs throughout the U.S. and Canada. The AHCA is dedicated to the maintenance, preservation, and enjoyment of Austin Healey automobiles, and Healey boats. Local clubs exchange newsletters to further disseminate information.

Each individual has the choice of joining the Minnesota Austin Healey Club only, or both the Minnesota and National clubs. (Membership in the Austin-Healey Club of America, whether new or renewal, requires concurrent membership in the Minnesota Austin-Healey Club). See the membership application form for details.

We welcome your membership and look forward to seeing you and your Healey at the next event. If you have questions concerning the two clubs, please call any of the club officers. They are guaranteed to help.
